USI is GREEN

April  2009

Did you know?

Most of our products are V.O.C. (volatile organic compounds) free. Some are virtually odor free allowing projects to proceed without interrupting other aspects of your business, saving you (my favorite green) MONEY.

Floor Tech HB, Floor Tech FB, Floor Tech WB and Floor Tech HS come in six colors, including two lovely shades of green...

The Natural Choice

- All **3M**-Thortex products meet international regulations including  and  requirements for contact with food products.
- All **3M**-Thortex products are based on the very latest water based and solvent free technology.
- We believe no other company can provide such a wide range of environmentally friendly coatings for the maintenance of buildings and structures.
- Our goal is to provide our customers with a range of high performance building maintenance materials which are easy to use, environmentally friendly and save you lots of **Green**.

Seal Tech AW

Stop those leaks with our high performance all weather coating designed for use for the emergency waterproofing of roof areas with the capability of providing extended waterproofing.

Seal-Tech A.W. can be applied to any roof surface including asphalt, bitumen, mineral felt, asbestos cement, concrete and metal surfaces in a single application.

Look at all the Green you can Save!

Thoughts from the President

Spring is here and it a great time to get outside (walking, hiking, biking, golf, tennis or even basketball) to get some exercise or rejuvenate the body. As they say, "A healthy body is a healthy mind." I find going for run or bike ride is a great way to help me do some critical thinking or just clear my mind. With no distraction, it enhances and clarifies my thinking making better decisions. It worth setting 30 to 60 minutes aside to give the heart, lungs and mind the time it needs to improve your quality of life. LIFE IS ABOUT DOING AND LIVING.

Speaking of B-ball earlier, as many of you know the Final Four is coming to the big "D", D E T R O I T. So it time to celebrate a little in the Motor City. So whether you are a **GREEN** Michigan State fan, or if you're routing for Villanova, UCONN or North Carolina, enjoy the games and spend some time with your friends and family.

Don't forget our Annual Golf Outing! Spend some time on the green with us, Friday May 29th. First tee off is at 11am. Call the office to reserve your spot today! (248) 685-7580

GO GREEN!
